

CARE YOU CAN SEE IN EVERY PATIENT VISIT

A black and white photograph of a young girl with dark hair, smiling and looking into an eye examination machine. The machine is a complex piece of equipment with various lenses and adjustment knobs. The girl is positioned on the left side of the frame, and the machine is on the right.

Doctors of optometry are highly trained, state-licensed healthcare professionals who provide comprehensive primary eye care.

From routine eye exams to the diagnosis and management of eye diseases, they help patients of all ages maintain healthy vision throughout their lives.
